## From The Chairman's Desk....

Hon. Shri. Mahesh K. Ingale

It is an honor and pleasure for me to begin my work as Chairman of **S. V. S. M. D's K K I Polytechnic College**. Leading this institution is a challenge I relish.

As I am sure everyone is aware, the moment in which we now find ourselves is one of profound challenges — not only to the campus and the wider education system, but to the nation and the world. Some of these challenges we can confront directly, and manage to the best of our ability. Others we cannot solve ourselves — but we can and must think and talk about them together, and try our very best to influence those charged with their solution.

At times I will use my position as chairman of **S. V. S. M. D's K K I Polytechnic College** to advocate publicly for societal change or defend against attacks on our principles. At other times I will work quietly among various communities of influence to assure that Beehive's leadership is heard and felt.

I see S. V. S. M. D's future as that of a coherent but heterogeneous community of colleagues, and a place where the opportunity to do research, to teach, and to learn will not be compromised by fiscal constraints, inequitable access, or the differences among us. In this - as, indeed, in all the tasks we undertake together - one will look to all of you for advice and counsel.

# SHRI VATAVRIKSHA SWAMI MAHARAJ DEVASTHAN'S KAI. KALYANRAO (BALASAHEB) INGALE POLYTECHNIC AKKALKOT

## OUR TRUSTEES

Shri. Mahesh Kalyanrao Ingale	Chairman
Shri. Atmaram Maruti Ghatage	Secretary
Shri. Vilas Baburao Phutane	Trustee
Shri. Vijay Ramchandra Das	Trustee
Shri. Adv. Pradeep Gajanan Zapake	Trustee
Shri. Dayanand Siddheshwar Hiremath	Trustee
Sou. Ujwala Kamalakar Sardeshmukh	Trustee
Shri. Sampat Narshingrao Shinde	Trustee
Shri. Mahesh Venkatesh Gogi	Trustee
Shri. Nagnath Bhimashankar Jeure	Principal

## From The Principal Desk....

As Principal, I realize how tempting it is to take my past experience of the College for granted. Serving as Principal of this historic institution has started me into a new awareness of just how extra-ordinary this place is.

There is an embodied goodness alive in the College, and it is possible to experience the rhythm of the spirit that beats with life in its people, programs, students, staff and faculty.

What I have known all along is now in bold relief: **S. V. S. M. D's K K I Polytechnic College** is not ordinary college. Yes, we care about preparing people for meaningful vocational work.

Yes, we care about introducing people to the whimsical wonder, spiritual wisdom. Yes, we care about developing the necessary skills, analytical thinking and respectful postures required for life in a global world teeming with varieties of religious traditions and expressions.

Our college is the only source of enlightenment in this backward rural area. We are trying our level best to push the rural talents in to the main stream of life. Our aim is to create very dynamic youth with the global knowledge and local culture. Sincerity, regularity, punctuality, cooperation and mutual integrity are the highlighted operating canons of our institution. With all the hopes and efforts we are moving ahead towards a better tomorrow. Join us we are always ready to work hard for your success.

**Shri. Naganath B. Jeure**

## About the Institute...

Shri Vatavriksha Swami Maharaj Devsthan's Trust established in 1952 and it has been having its own hold in social activities since its establishment.

Our "Shri Vatavriksha Swami Maharaj Devsthan's Polytechnic" is one of their social reformations. For developing the student belonging to the rural area technically this institute has been set up in 2009 by "Shri Vatavriksha Swami Maharaj Devsthan's Trust". Our college has successfully sent out the Nine batches.

S.V.S.M.D's K K I Polytechnic College is approved by All India Council for Technical Education (AICTE), New Delhi & recognized by Government of Maharashtra.

All the courses in our college are affiliated to Maharashtra State Board of Technical Education (MSBTE), Mumbai and Directorate of technical Education (DTE), Mumbai.

Our Institute is situated 1.5Km. From ST. stand (Akkalkot) and students of our college have all types of conveniences, which are within their reach from institute.

## Our Vision...

To achieve world class standards of excellence in engineering & technology to meet the needs of industry business & the society.

## Our Mission...

To create techno-excellent engineering professionals by imparting quality education with an aptitude for research & leadership to face the future global needs.

## Objectives...

- Continuous evaluation through internal assessment, Assignment, practical records etc and feedback to parents.
- Face to face & Telecounselling wherever and whenever needed.
- Improvement of student skills and enrichment.

## Eligibility Criteria...

### First Year :

Student should have passed SSC/10th Std. with Mathematics (Subject code : 71) & Science (Subject Code : 72) With at least 35% marks for open category and reserved category.

### Direct Second Year :

- \* H.S.C. Science with at least 35% Marks
- \* H.S.C. (Technical/Vocational/MCVC)
- \* ITI/COE with 60% Marks

### Admission Criteria

Admission procedure, reservation and other rules followed are as laid down by the Director of Technical Education, Mumbai.

## Courses Offered...

Branches	Choice code	Intake
Computer Engineering	647424510	30
Civil Engineering	647419110	60
Electronics & Telecommunication Engg.	647437210	30
Mechanical Engineering	647461210	60
<b>Total</b>		<b>180</b>

## Computer Engineering

The department of Computer Engineering has taken charge of the all round development of its students inculcating professional ethics as well as humanitarian values. All the laboratories are fully fledged with PCs of latest configuration having 16 mbps Leased Line internet connection. The objective of the department is to offer technical course that will prepare the students to develop themselves into quality professionals. Makes the students well versed in subjects like Programming languages, Web Designing, Software Architecture.

### Unique Features :-

- Member of faculty participate in academic activity likes seminars and workshop.
- Students participate and present papers in seminar, symposia and conferences.
- Highly dedicated and motivated staff.
- Multimedia Classrooms.

### Computer Major Laboratories :-

- Linux & operating System
- Database
- Advanced softwares Testing
- Microprocessor
- Networking & hardware lab
- Project
- Server room
- Programming Lab

## Mechanical Engineering

The department of Mechanical Engineering has been functional since the inception of the institute. The department boasts of Full intake of students and is recognized for outstanding academic performance and well deserved placements. The students are prepared for their future through well maintained laboratories and quality teaching.

### Unique features :-

- Innovative, research oriented teaching process.
- Real time projects are taken up by students.
- Students club to encourage student oriented programs.
- Motivated and highly qualified staff.

### Mechanical major Laboratories:-

- CNC lab
- Thermal engineering lab
- Refrigerations Air conditioning lab
- Auto CAD lab
- Power engineering lab
- Fluid mechanics & Machinery lab
- Metrology & Quality control
- Measurements control
- Automobile

### Workshop :-

The excellently equipped machines and equipments in the workshop enable students to develop their practical skills in the large expanse of 890 sq. mtrs. The students hone their skills with hands on experience under the competent guidance of 3 lab instructors

## Civil Engineering

The department is adopting modern pedagogical methods in the aspect of training the students, to produce highly competent civil engineers to take up challenging tasks in their engineering careers.

### Unique Features :-

- Students do real time projects in the college
- Student participate in consultancy of the epartment to get hands on knowledge.

### Civil Major Laboratories :-

- Engineering Mechanics
- Geo Technical Engineering
- Concrete Technology
- Survey lab
- Environmental Engineering
- SOM Lab
- Hydraulics lab

## Electronics and Telecommunication Engineering

Since its establishment the department of EJ is nurturing the students to face the revolutionary changes in the field of Electronics and Telecommunication. The students are strategically developed to mark their presence in today's era of communication and competition. The department has 6 different laboratories supporting the curricula.

### Unique Features :-

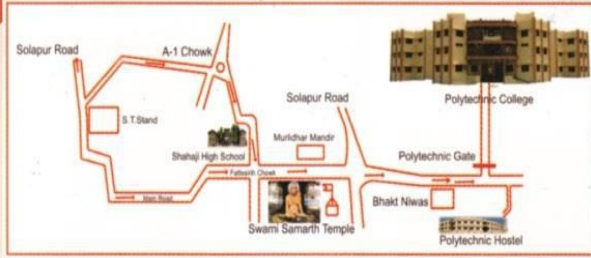

- Conducts workshop seminars for students to give hands on experience.
- Encouragement for co-curricular activities.
- Motivates for Electronic design.

### E & TC Major Laboratories :-

- Microprocessor & Micro controller
- Basic Electronics lab
- Analog Communication
- Audio & video engineering
- Control System
- Digital Communication
- Electronic devices & circuits
