

--:: Facilities ::--

Infrastructure

6.5 acres Landscaped area with state-of-art infra-structural Facilities

Qualified & Experienced MSBTE approved Staff

Spacious, Ventilated & Modern classrooms with latest Teaching aids

Well equipped laboratories with latest equipments and Huge workshop with standard machineries

Green Campus

The college has an impressive and pollution-free campus with panoramic green surroundings, elegant landscaping and beautiful flowerbeds.

Water & Electricity

The college has complete arrangements to deliver uninterrupted water and electricity supply for the students, round the clock. Sufficient water coolers with filtered water are available throughout the campus to provide clean drinking water to the students. In case of power failures, high power generators are also available. Constant monitoring is carried out to ensure that cleanliness is given utmost importance.

Internet Facility

Internet is available within the campus through Internet Laboratory using 32 mbps leased line connection from Airtel Communication.

Wireless Connectivity (Wi-Fi) is also available in the campus.

Library

A library endowed with the books and periodicals having rich, latest and updated information forms the backbone of any educational institute.

The Central library is enriched with sufficient quantity of technical books, journals, reference volumes etc. that are required for learning and teaching of all disciplines. Central library gives

support to the educational & research programs of the Institute by providing physical & intellectual access to information. It consists of Reference Section, Journal Section, Reading Hall, Digital library section, Multimedia Facility, Stack-Room etc. The library has unique collection of Encyclopedia, Handbooks, Textbooks, Journals, and CDs etc. The library uses 'DelNet' software. Circulation system of books is based on Bar- Code. Library is a part of institute-wide Network. Total 15,000 + books are available for student reference.

Transportation

· We have College Bus Facility covering major part of Akkalkot.

Sports Ground and Parking

Other Facilities like Indoor sports room, outdoor sports ground and ample of parking space is available in the campus.

Medical Facility

Each hostel is provided with necessary first aid facilities. The college provides free first aid to the students in college campus during working hours. Qualified physicians are available in the close proximity of the college & hostels for consultancy. Medical & Hospital facility is available in the Trust campus.

Hostel Facility

One buildings are exclusively reserved for Hostels by the Shri. Vatvruksha Swami Maharaj Devasthan's to accommodate 150 students. Hostel Rector co-ordinates and controls the hostel activities. Students are required to abide by the rules of the hostel. Hostel also has a facility of Generator Backup & Electricity System.

Hundreds of students live in hostel premises, which come closest to being 'a home away from home'. The facilities for boys, caring wardens and a tight security ensure a pleasant stay allowing the students to focus on academics.

Hygienically prepared nutritious food, facility of games and exemplary discipline with desired freedom makes the hostel a home away from home. We appreciate parent's anxiety regarding a safe and secure environment for their wards.

At very low cost we provide hostel and at free of cost Mess facility for the hostel students.

R.O. Purified Water Supply

Considering the student's health; R.O. purified water is available in Campus.

Canteen

Meals and Snacks facility is available in hygienic environment.
